Sign up below and help the Nautical Archaeology Society to do more with your donation. As a charity, the Society can reclaim tax on any donation or membership subscriptions that you make and so increase the value of each £1.00 donated by 28p. This costs you nothing, except 2 minutes of your time, but is one of the most effective ways of helping and supporting the Society.

Please note:

- This declaration covers any payments that you make to the Nautical Archaeology Society in the future and includes single donations and membership subscriptions.
- To qualify you must be a UK taxpayer.
- If you have already signed up to the scheme there is no need to do so again.
- You can cancel this declaration at any time by contacting the NAS office at Fort Cumberland, Portsmouth.
- Please notify the Society whenever you change name or address.

Completing this form can make a big difference!

N.B. The Inland Revenue requires names and addresses in full. I would like the Nautical Archaeology Society to reclaim tax on all donations and subscription payments that I make to the Society (since 6th April 2000) and may make in the future.

Our heritage

The NAS is a charity formed in 1972 to promote local, national and international interest in our shared nautical heritage.

Our aim is to:

- Facilitate education, research, publication and conservation
- Act as a focus for information about nautical archaeological activities
- Promote high standards in the field through education and training

Why join us?

- Assist in the search for evidence of past maritime activities in seas, rivers, lakes or on land
- Survey historic wrecks and other marine-related archaeological sites
- Receive training in under water archaeological techniques
- Record and publish new discoveries
- Keep abreast of relevant conferences, lectures, events and courses
- Meet people from a variety of backgrounds with similar interests and enthusiasm
- Get involved in our projects – they are fun and interesting
- Or, just sit back and read about current news and activities
