Interested in helping prepare Club RIB

Interested in helping tow Club Rib

Data Protection:

The Nautical Archaeology Sub-Aqua Club (Sub-Aqua Association (SAA) Branch 1127) (NASAC) holds personal data to facilitate membership services. These may include collection of subscriptions, distribution of publications, information, notices and other communications related to the Club's activities and to the Sub-Aqua Association. The Club will not pass on any personal details to third parties except to the SAA in order to provide communication and membership services. Under the terms of the Data Protection Act 1998 NASAC is obliged to offer you the opportunity to 'opt out' from being included in these services. Please tick the box below ONLY if you wish to opt out of the following uses of personal electronic data:

Name and contact details included in a members list to be made available to NASAC members
