Maritime Archaeology and Ancient Trade

A conference to explore the contribution of maritime archaeology to the understanding of trade and exchange in the region of the ancient Mediterranean

Madrid

18th - 20th September 2008

Papers are invited to discuss:

- *Conceptual issues in maritime trade*
- *Ships and shipping*
- *Ports and connectivity*
- *Landscapes of maritime trade*

The papers will be published in the monograph series of the Oxford Centre for Maritime Archaeology

Financial support is available for those giving papers

Deadline for submission of abstracts

30th June
