Skills = Skills Day
Event = Heritage Event

PWDay = Protected Wrecks Day
MAC = Maritime Archaeology Course

Conf = Conference

For information or to book, contact the NAS Office or log into the members' area at <https://nas.azolve.com>. Non-members can book online at: <https://nas.azolve.com/workbench/public/events>.

Please refer to the NAS Booking Policy for terms and conditions.

Please note that the timetable is subject to change, and more events and courses may be added throughout the year.

All prices now reflect the exact 5% membership discount, rather than being rounded to the nearest whole number.

NAS Skills Days: *Recorder and Surveyor*

Gain experience and discover more with the NAS Skills days. *NAS Recorder Days* introduce maritime archaeology fieldwork basics such as: site sketching, photography and video, and reporting your exciting discoveries. *NAS Surveyor Days* build on the skills learned on a Recorder Day, covering basic site analysis, 2D survey and what to do with small finds.

NAS Recorder Days

Bespoke Skills Days

The NAS is very happy to come to your club or group and run a *Recorder* or *Surveyor Day*. These can be run for as few as 6 people. Simply contact the NAS Office with your group details and we will work out the cost for you. Email nas@nauticalarchaeologysociety.org

ELearning Courses

Whether you're looking for more information to complement your Skills Days, or you just want to complete the theory elements behind the practical days, you could take the online theory courses. For the theory element of the Foreshore/Underwater 'Recorder Day' you will need to complete the 'Introduction to Maritime Archaeology Course'. For the Foreshore/Underwater 'Surveyor Day' you will need to complete either the; 'Intertidal and Terrestrial Archaeology Course' or the 'Underwater Archaeology Course' depending on which practical day you took part in.

Book on your Skills Day and receive a £5 discount on the below options. Credits are awarded to members who have completed both the ELearning course and associated skills day.

Start as soon as you are ready! For more information and to sign up visit:
<http://www.nauticalarchaeologysociety.org/elearning>

NAS Maritime Events

Museum days offer the chance for to view behind the scenes at some of the UK's best maritime museums, with a chance to meet curators, conservators and those involved in presenting the collection to the public.

Date	Venue	Event	Cost Member/non member
7 July	London, UK	HMS Belfast Day	£50.35/£53
TBC	Stockholm, Sweden	Vasa Museum Day	£150.10/£158

The following conferences can be attended for credit. If you are attending an archaeological conference which you would like to have accredited please contact the NAS Office with details.

Date	Venue	Conference	Website
4 February	Plymouth, UK	International Shipwreck Conference	www.shipwreckconference.org
17-19 March	Koblenz, Germany	DEGUWA Annual Conference	www.deguwa.org
19-21 April	Newcastle, UK	CIfA Annual Conference for Archaeologists	www.archaeologists.net
3-4 June	Bremerhaven, Germany	FRAUG Annual Conference	www.maritimearchaeology.dk/fraug
20-24 October	Nicosia, Cyprus	Honor Frost Foundation	www.honorfrostfoundation.org/
18-19 November	Portsmouth, UK	NAS Annual Conference	www.nauticalarchaeologysociety.org

NAS Protected Wreck Days

These days offer the chance to visit wreck sites which have been protected under the Protection of Wrecks Act 1973, with the licensee of the site. The NAS currently offers two different protected wreck days

- HMS Invincible/A1 Submarine – RIB Diving out of Portsmouth (Cheque payment to 'Nautical Archaeology Sub-Aqua Club' only)
- Holland 5 Submarine/Norman's Bay Wreck – Hard boat diving out of Eastbourne

Date	Protected Wrecks	Cost
13 September	HMS Invincible/A1 Submarine	£30
14 June	Holland 5 Submarine/Norman's Bay Wreck	£70
30 June	Holland 5 Submarine/Norman's Bay Wreck	£70
25 August	Holland 5 Submarine/Norman's Bay Wreck	£70

If you would be interested in organising a protected wreck day for your club or group on a different date, please contact the NAS Office. Alternatively you can book on one of our scheduled days listed above. Although we have already sold out some of our Protected Wreck Days, we have opened reserve lists to fill spaces should they become available. Please note that minimum diving qualifications and experience will apply.
